## Supervision

### Postdoctoral and PhD supervision

When I joined Ghent University in 2017, I was the only professor in the department working on climate and sustainability themes. I have since built a team of PhD and postdoctoral researchers, with about two-thirds of my team working on externally funded projects (see above).

I have also served as an examiner of eleven PhD exams, and I currently serve as a member of the doctoral committees of five other PhD researchers.

### Current PhD students

- Precious Unegbu: *Citizen participation processes to advance EU policies on environmental sustainability*, Department of Public Governance, Ghent University (2023-2027).
- Evi van Dorsselaer: *How do cities in the European Union understand and implement nature-based solutions?* Department of Public Governance, Ghent University, co-supervisor with Joris Voets (2023-2027).
- Aygul Salmanova: *Understanding public support for environmental and energy policy interventions in Europe*, Department of Public Governance, co-supervisor with Francesco Nicoli (2023-2029).
- Evas Kemigisha: *Investigating the potential of integrating community governance arrangements in maternal health care service delivery in Uganda: opportunities, challenges and lessons for multi-level governance*, Department of Public Governance, Ghent University (2022-2026).

- Reinhilde Bouckaert: *Decarbonisation and EU energy relations with the MENA region*, Department of Public Governance, Ghent University (2020-2025).
- Marco Giuli: *Climate and energy policy integration in EU external energy relations*, Brussels School of Governance, Political Science Department, Vrije Universiteit Brussel, co-supervisor with Thijs Van De Graaf and Sebastian Oberthür (2019-2024).

### Completed PhD projects

- Jeffrey Rosamond: *Green intergovernmentalism? The European Council, the Council, and climate policymaking in times of crisis*. Supervisor, Dept of Public Governance, Ghent University, (completed 2023).
- Marin Mileusnic: *The EU fiscal union: the missing design?* Co-supervisor with Frank Naert, Dept of Public Governance, Ghent University, (completed 2022).
- Laura Iozzelli: *Legitimacy and effectiveness of global climate public-private partnerships*, Political Science department, Vrije Universiteit Brussel, co-supervisor with Sebastian Oberthür (completed 2021).
- Max Salomon Jansson: *Economic law and renewable energy: balancing economic and non-economic values in the EU, the US and the WTO*. Law Department, Vrije Universiteit Brussel and Turku University, Finland, co-supervisor with Harri Kalimo and Tuomas Mylly (completed 2019).

### Postdoctoral researchers

- Dr Jeffrey Rosamond, Department of Public Governance, Ghent University, since Oct 2023.
- Dr Dmytro Panchuk, Department of Public Governance, Ghent University, since Oct 2020.
- Dr Ann-Kathrin Reinl, Department of Public Governance, Ghent University, Oct 2022-Dec 2023.
- Dr Frederik De Roeck, Department of Public Governance, Ghent University, Nov 2019-May 2020.

### Masters' theses supervision

Masters in Public Governance, Ghent University, since 2017, 10-20 per year, on themes connected to climate change; climate, energy and environmental governance; European politics and governance.

LLM in International and European Law and MSc in European Integration, VUB, 2012-2017, 2-7 per year.

## Teaching

I teach in the Bachelors of Public Governance and in the Masters of Environmental Science at Ghent University. I apply innovative teaching methods, including simulation role plays, 'serious' games, student-led learning, flipped classrooms, and blended learning approaches.

- *European integration and multi-level governance*, undergraduate level.
- *European politics and policymaking*, undergraduate level.
- *Study visit to European institutions* in Brussels, Strasbourg and Luxembourg, undergraduate level.
- *Non-technological drivers and challenges of resource recovery*, postgraduate level.

I also often provide guest lectures at other universities, for example:

- *EU climate policy*, postgraduate level, University of Antwerp.
- *European climate and energy governance*, postgraduate level, Utrecht University.
- *EU and global climate politics*, postgraduate level, University of Kent.

## Leadership and contribution

### Contribution to academic community

- Co-Chair, with Prof Paula Kivimaa (Finland), of the European Academies Science Advisory Council working group on Security of Sustainable Energy, since Dec 2023.
- Editorial Board Member of *Politics and Governance*, since 2020.
- Research fellow of international research network *Earth System Governance Project*.

- Member of academic associations, including the environmental politics specialist group of the Political Studies Association of Ireland; European Consortium for Political Research (ECPR); environmental studies section of the International Studies Association; University Association for Contemporary European Studies (UACES).
